Thank you for joning the George S Ladd Telephone Pioneer Radio Club Yahoo Group.

Thanks to Steve Johnson, KF6NPY, for suggesting and creating it for us. The intent is to make it easier for our club members to easily share information with each other. We also need to recruit new members to keep the club going in the future.

We hope you will send our group suggestions and ideas to improve the club.

Sincerely,
Bill Goebner, KF6NHT, President, GSL Pioneer Radio Club.

Hi everyone, this is a reminder that the next GSL radio club meeting is next Wednesday, August 5 at the Alameda Yacht Club. Hopefully you have received Jim Muiter's email with the minutes from the last meeting. I'll work with Jim to get the past minutes for 2009 uploaded to the Yahoo site. I also invited everyone on Jim's email who are not currently Yahoo group members to join. I'll bring a current list of Yahoo group members to next week's meeting.

Any comments or questions are welcomed.

10. Tel Pioneer Radio Club Yahoo List - Short Tutorial

Yahoo group: W6TP

From: Stephen Johnson
Topic: 10 Message: 10

As requested at today's meeting, I'm forwarding some basic information on the Radio Club Yahoo Group.

Yahoo groups is a feature of Yahoo that allows groups to create their own distribution lists, and provides a web site for the group. We can view past messages and look at any files uploaded to the web ites, including documents and photos. We currently haved all of the 2009 monthly Newsletters on the site. We'll be posting some photos soon.

Anyone can sign up to receive emails. You can email me,with a list of email addresses, and I'll send them an invation. Or you can send an email as directed below.

You'll need a (free) Yahoo ID to visit the site and look at messages and files. I'm including a link below to sign up for an ID. I think you can list an alternate ID (your regular email address) when you sign up, and the two IDs will be linked.

Here are some useful links you may want to bookmark:

Pioneer Radio Club Yahoo Group Links
Yahoo Group Site:
http://groups.yahoo.com/group/W6TP/
Address to send emails to the Yahoo Group:
W6TP@yahoogroups.com
How to sign up for a Yahoo ID:
https://edit.yahoo.com/registration?_intl=us&new=1&_done=http%3A%2F%2Fmy.yahoo.com&_src=my&partner=&promo=&_last=
How to subscribe to the group directly:
Send an email to W6TP-subscribe@yahoogroups.com

If you want to upload a file or photo to the site, go to the main page on the site, select files, and then add file. Or you can send me the file and I'll upload it for you.

Let me know if you have any questions. Please send them to sfjohns@... unless you want everyone in the group to see them.

Thanks,

Hi everyone,

I have no idea where yesterday's message about the Jan 2009 newsletter came from. I posted all the newsletters over a month ago. If anyone in the group uploaded the file again, please let me know. I'll try to look into this problem when I have a chance. I'll also check the membership list to make sure everyone in the group is a legitimate club member.

To All TelecomPioneers

The George S. Ladd Pioneer Radio Club in the Golden Gate Chapter of the TelecomPioneers is once again sponsoring the annual Telephone Pioneer QSO Party.

The 45th annual Telephone Pioneer QSO Party (TPQSO) will be on December 5th and 6th, 2009.

Full information is on http://tpqso.com

The TPQSO party is a great opportunity to get on the air and renew old friendships. It provides a way to dust off the old gear and get your station going on all bands. It is meant to be a fun event and provides some challenges at the same time.

We know the sun has been letting us down lately with low solar activity and consequently sometimes poor conditions on the high frequency bands. However we have a few months to go before the big event in December. Perhaps we will see an upswing in solar activity and improved conditions. In any event get on the air and help make the TPQSO party a fun event.

Even if you make a few contacts or several hundred, you will be contributing to the TelecomPioneer spirit.

If you are not a TelecomPioneer and wish to get in on the action, go to http://www.telecompioneers.com for membership information.

Hi all you Telephone Pioneer Radio fans! As you know, the GSL Telephone Pioneer Radio Club has been operating a radio net on Tuesday Nights at 7:30 PM, using our San Francisco repeater (145.37 MHz).

Participation in the net has been declining over the last few months. Last night there were only 2 check-ins.

The club is considering discontinuing the net due to low interest. Before we do so, we'd like your input. Please respond to me or you can contact Bill Goebner, wgoebner@... with your feedback.

This is a reminder that the George S. Ladd chapter of the Telephone Pioneer Radio Club is meeting this Thursday, May 24 in San Ramon. We plan to meet in the lobby of 2600 Camino Ramon at 11 AM. We'll get lunch in the cafeteria, and the meeting will start about 12 PM in Room 3W154. President Bill Goebner has an interesting video program for us to enjoy.

If you have any questions or need more information, please contact me at sfjohns@pacbell.net or Bill at wgoebner@.... We can also pick people up at Hayward BART if anyone needs a ride (space limited).

Hi all,

I just posted the current membership list to the W6TP Yahoo Group. Please review the list and send me any corrections. Also, if you haven't paid your dues for 2011-2012 you can send a check for $10 to:

Jim Muiter
P. O. Box 2275
Murphys CA 95247

Let me know if you can't access the Excel file and I'll send you a copy.

Thanks,

Steve Johnson

Might it be easier to access as a pdf sent to email recipients than to have to log on to Yahoo Groups each time? That is, use Jim Muites's email list to sent it?

Someone in the group suggest I just send the membership file out so you don't have to access the group to look at it. So here it is! There's one minor change from the previous version. Let me know if you have any other changes.

Thanks,

We are moving locally in about three weeks. The mailing address (P.O. Box) will remain the same but the new phone number may change depending on whether Comcast can get our two phone numbers transferred over properly. More as it happens.

Hi all, it's time to renew your Pioneer Radio Club membership! Dues are $10 for this year.
 We have a proposed bylaws update that will extend your $10 membership for 10 years. Dues should be sent to:

Jim Muiter
P. O. Box 2275
Murphys CA 95247

Please make the check payable to Telecom Pioneers.
I'm also attaching a membership/renewal application. This form is so Jim and I can update our membership records. If none of your information has changed in the last two years, completing the form is optiona.

Let me know if you have any questions.

Thanks,

Steve Johnson
